

the market administrator, at the request and in accordance with instructions of the market administrator, advance notice of the handler's intention to have such milk replaced.

(c) In addition to the reports required pursuant to paragraphs (a) and (b) of this section and §§1001.30 and 1001.32, each handler shall report such other information as the market administrator deems necessary to verify or establish such handler's obligation under the order.

[56 FR 5312, Feb. 11, 1991]

§ 1001.32 Reports regarding individual producers and dairy farmers.

(a) Each handler shall report on or before the 15th day after the end of each month the information required by the market administrator with respect to producer additions, producer withdrawals, changes in farm locations, and changes in the name of farm operators.

(b) Each handler that is not a cooperative association, upon request from any such association, shall furnish it with information with respect to each of its producer members from whose farm the handler begins, resumes, or stops receiving milk at his pool plant. Such information shall include the applicable date, the producer-member's post office address and farm location, and, if known, the plant at which his milk was previously received, or the reason for the handler's failure to continue receiving milk from his farm. In lieu of providing the information directly to the association, the handler may authorize the market administrator to furnish the association with such information, derived from the handler's reports and records.

(c) Each handler shall submit to the market administrator, within 10 days after his request made not earlier than 20 days after the end of the month, his producer payroll for the month, which shall show for each producer:

(1) The daily and total pounds of milk delivered and its average butterfat test; and

(2) The net amount of the handler's payments to the producer, with the prices, deductions, and charges involved.

§ 1001.33 Notices to producers.

Each handler shall furnish each producer from whom he receives milk the following information regarding the weight and butterfat test of the milk:

(a) Whenever he receives milk from the producer on the basis of farm bulk tank measurements, the handler shall give the producer at the time the milk is picked up at the farm a receipt indicating the measurement and the equivalent pounds of milk received;

(b) Whenever he receives milk from the producer on a basis other than farm bulk tank measurements, the handler shall give the producer within 3 days after receipt of the milk a written notice of the quantity so received;

(c) If butterfat tests of the producer's milk are determined from fresh milk samples, the handler shall give the producer within 10 days after the end of each month a written notice of the producer's average butterfat test for the month. Such notice shall not be required if the handler has given the producer a written notice of the butterfat test for each of the sampling periods within the month; and

(d) If butterfat tests of the producer's milk are determined from composite milk samples, the handler shall give the producer within 7 days after the end of each sampling period a written notice of the producer's average butterfat test for the period.

CLASSIFICATION OF MILK

§ 1001.40 Classes of utilization.
